Live **Laparoscopic & Robotic** Workshop

January 26, 2020 (Sunday) | 8 am - 5:30 pm

9th Floor, Auditorium, Yashoda Hospitals,  
Secunderabad

Endorsed by

CLINICAL ROBOTIC SURGERY ASSOCIATION

Dear Doctor,

Greeting from Yashoda Hospitals

The emergence of Robotic Surgery is revolutionizing the minimal access surgery, by changing the existing surgical training pattern and reshaping the learning curve of residents by offering new solutions.

Yashoda Hospitals has evolved as The Center of Excellence in Robotic Surgery with Team performing the largest number of robotic procedures in the region. We excel in clinical & surgical skills of advanced procedures that benefits the patients - better outcome, minimal pain & discomfort, faster recovery period, less scarring and elimination of many potential complications from conventional surgery.

With the advancement of Laparoscopic & Robotic interventions every year, it is very important for the physicians to keep themselves updated with the latest developments. It is with this very aim, we have been regularly organizing workshop on 'Minimally Invasive Onco Surgery (MIOS)'. As a continuation to promote improved medical outcomes and greater patient safety, it is indeed our pleasure to invite you all to 'The 6th Minimally Invasive Onco Surgery (MIOS) Workshop' on January 26, 2020 at Yashoda Hospitals, Secunderabad.

We request all to utilize this opportunity, come and gain from this workshop.

We look forward to seeing you there!

Best Regards,

Organising Chairman

**Dr. Jagdishwar Goud Gajagowni**

Founding Member - CRSA Indian Chapter

Clinical Director - Robotic Surgery
