PULMO UPDATE 2018

FIRST ANNUAL CONFERENCE

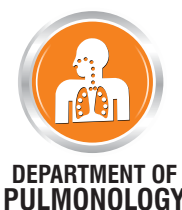

September 8 & 9, 2018

Marigold Hotel, Begumpet, Hyderabad.

Endorsed by
INDIAN CHEST SOCIETY
- SOUTH ZONE

Somajiguda, Hyderabad

Dear Colleagues,

It is indeed a pleasure to invite you all to our first annual CME and workshop “PULMO UPDATE 2018”. Pulmonary medicine has now become the fastest growing sub speciality in medicine. With newer medicines being launched and newer interventions being introduced every year, it is very important for the budding pulmonologists as well as the practicing physicians to keep themselves updated with the latest developments in the field of pulmonary medicine and interventional pulmonology. It is with this very aim, we are organizing “Pulmo Update 2018” on September 8th and 9th this year. Eminent faculty from all over the country shall share their experiences and their knowledge during this two day program.

The first day is the interventional pulmonology workshop where we intend to impart skills starting from basics of doing a bronchoscopy to the latest advances in the field of interventional pulmonology. The workshop would be divided into basic and advanced groups. The initial two hours would be didactic lectures - “How I Do It?” sessions. This will be followed by hands-on demonstration of all the procedures on simulators and animal models by experts in their respective fields. The second day CME program shall focus on the recent developments in the field of pulmonology. The program is divided into various sessions, each one focusing on one disease and the latest developments related to that.

This update is designed for post graduates, practicing pulmonologists and physicians interested in pulmonary medicine.

We request all to utilize this opportunity, come and gain from this update of medical knowledge.

THEME OF PULMO UPDATE 2018: THE REALITIES OF TODAY AND OPPORTUNITIES FOR TOMORROW

We look forward to seeing you there!

Best regards,

Dr. V. Nagarjuna Maturu

MD, DM (Pulmonology), FCCP
Consultant, Clinical and interventional Pulmonology
Organizing Secretary, Pulmo Update - 2018

Dr. P. Navanith Sagar Reddy

MD, DTCD, MNAMS (Med), FCCP
Sr. Consultant Pulmonologist & HOD
Organizing Chairman, Pulmo Update - 2018

Dr. D. Ragotham Reddy

MD, MSASMS
Consultant Pulmonologist
Organizing Chairman, Pulmo Update - 2018

Dr. G. Surender Rao

Chief Patron

In the past few decades, advances in medicine and technology have redefined the healthcare industry.

Yashoda Hospitals has evolved into a center of excellence for Pulmonary care with the most advanced equipment to facilitate complex procedures and round-the-clock emergency services. The Yashoda Hospitals has the best interventional pulmonary set-up in the Twin Telugu States which also includes Bronchial Thermoplasty. The team of Interventional Pulmonologists at Yashoda perform 300 Complex procedures and more than 1000 Bronchoscopies every year.

Keeping in line with the idea of sharing knowledge for progress, Yashoda Hospitals is proud to organise the First Annual CME and workshop "Pulmo Update 2018". The conference follows an interesting structure of lectures and discussions of the technological and therapeutic advances in the field.

I hope this scientific programme will present and critically assess recent advances and key topics in Pulmonary care to enhance the knowledge of the participants.

Best regards,

Dr. G. Surender Rao
Managing Director
Yashoda Group of Hospitals

Dear Colleagues,

Pulmonary Medicine across the world in general and in India in particular is passing through an explosive phase of exponential growth. Just four decades ago most doctors in this specialty were busy treating tuberculosis with four drugs, while today's practitioner of pulmonary medicine has at his doorstep a plethora of avenues to diagnose and treat the myriad ailments of the lung. This is the moment of epiphany for the young pulmonologist.

Developments have happened majorly in two spheres, on one hand at genetic and molecular level for diseases like lung cancer, asthma, and interstitial lung diseases and on the other hand, diagnostic and therapeutic procedures like thoracoscopy, bronchoscopy, EBUS and bronchial thermoplasty have evolved. Some of these procedures harness natural energies like cold (cryo), heat (electrocautery), Lasers etc. Needless to say that these skills have to be mastered and passed on to the next generation by handholding. To quote Bertrand Russell "Three passions, simple but overwhelmingly strong, have governed my life: the longing for love, the search for knowledge, and unbearable pity for the suffering of mankind".

The Pulmo Update 2018 undertaken by Dr. V. Nagarjuna Maturu at Yashoda Hospitals, (rightly endorsed by Indian Chest Society) is 'Resipsa Loquitor' (the act speaks for itself). I wish this academic activity a great success and Godspeed.

We look forward to seeing you there!

Best regards,

Dr. R. Vijai Kumar

Secretary
Indian Chest Society - South Zone
Telangana State

NATIONAL FACULTY

Dr. Ritesh Agarwal, MD, DM
Professor, Dept. of Pulmonary Medicine
PGIMER, Chandigarh

Dr. R. Vijai Kumar, MD, FCCP
Senior Consultant, Dept. of Pulmonary Medicine
Hyderabad Chest Centre, Hyderabad

Dr. Deepak Talwar MD, DM
Head of the Department, Pulmonary Medicine
Metro Hospitals, New Delhi

Dr. Subhakar Kandi, MD, FCCP
Professor & Head, Dept. of Pulmonary Medicine
Kamineni Academy of Medical Sciences, Hyderabad
Zonal Task Force Chairman, RNTCP, South Zone - 1

Dr. Ravindra M. Mehta MD, FCCP
Head of the Department, Pulmonary Medicine
Apollo Hospitals, Bengaluru

Dr. A. Jayachandra, MD, FCCP
Consultant, Interventional Pulmonology
Century Hospitals, Hyderabad

Dr. Karan Madan, MD, DM
Assistant Professor, Dept. of Pulmonary Medicine
AIIMS, New Delhi

Dr. Amita Nene, MD FCCP
HOD, Dept. of Pulmonary Medicine
Bombay Hospital, Mumbai

Dr. Arjun Srinivasan, MD, DM
Consultant, Dept. of Interventional Pulmonology
Royal Care Hospital, Coimbatore

Dr. Vishwanath Gella, MD, DM
Consultant, Dept. of Pulmonary Medicine
Continental Hospitals, Hyderabad

Dr. T. Balaraju, MD, FCCP
Consultant, Dept. of Interventional Pulmonology
Gayatri Hospitals, Visakhapatnam

Dr. Srinivas Kanumuri, MD, FCCP
Head of the Department, Pulmonary Medicine
Kanumuri Hospitals, Guntur

Dr. Abhishek Goyal, MD, DM
Associate Professor, Dept. of Pulmonary Medicine
AIIMS, Bhopal

Dr. Inderpaul S. Sehgal, MD, DM
Associate Professor, Dept. of Pulmonary Medicine
PGIMER, Chandigarh

Dr. K. T. Prasad, MD, DM
Associate Professor, Dept. of Pulmonary Medicine
PGIMER, Chandigarh

Dr. M. Gopala Krishna, MD, FCCP
Consultant, Dept. of Interventional Pulmonology
Aayush Hospitals, Vijayawada

Dr. Hari Kishan Gonuguntla, MD, DM
Consultant, Interventional Pulmonology
Yashoda Hospitals, Secunderabad

Dr. Kedar R. Hibare, MD, FCCP
Consultant, Dept. of Interventional Pulmonology
Narayana Health Institute, Bengaluru

PROGRAMME SCHEDULE

September 8, 2018 | 8:00 am - 5:00 pm

Hall - 1

WORKSHOP

BRONCHOSCOPY & MEDICAL THORACOSCOPY

08:00 am - 08:45 am Registration

08:45 am - 09:00 am Welcome address

TIME	TOPIC	SPEAKER	CHAIRPERSON
09:00 am - 11:00 am	HOW I DO IT? SESSIONS SESSION - I: BRONCHOSCOPY <ul style="list-style-type: none">Bronchoscopic anatomy and appearances (Diagnose as you see)Bronchoalveolar lavageEndobronchial and Transbronchial lung biopsyConventional TBNA SESSION - 2: THORACOSCOPY <ul style="list-style-type: none">Diagnostic medical thoracoscopy - Pleural biopsyTherapeutic medical thoracoscopy - Adhesiolysis and Pleurodesis	Dr. Inderpaul S. Sehgal Dr. Vishwanath Gella Dr. Abhishek G. Dr. Prasad K. T. Dr. Srinivas Kanumuri Dr. Jayachandra A.	Dr. Vamsikrishna Mootha Dr. Sai Praveen Haranath Dr. A. Vinay Kumar Dr. Inderpaul S. Sehgal
11:00 am - 11:30 am	Tea		
11:30 am - 02:00 pm	HANDS-ON SESSIONS (30 minutes/session) <ul style="list-style-type: none">Bronchoscope- dissection and CDSBronchoscopic anatomy and BALEBB, TBLB and conventional TBNA Flexirigid thoracoscopeRigid and Minirigid thoracoscope	Olympus Team Dr. Vishwanath Gella Dr. Abhishek G / Dr. Prasad K. T. Dr. Srinivas Kanumuri Dr. Jayachandra A.	
02:00 pm - 03:00 pm	Lunch		
03:00 pm - 05:00 pm	HANDS-ON SESSIONS (to be continued)		

Telangana State Medical Council has awarded 2 CME credit hours for the workshop and 2 CME credit hours for the conference

02:00 pm - 03:00 pm	Lunch		
03:00 pm - 05:00 pm	HANDS-ON SESSIONS (to be continued)		

Telangana State Medical Council has awarded 2 CME credit hours for the workshop and 2 CME credit hours for the conference

PROGRAMME SCHEDULE

September 9, 2018 | 8:00 am - 5:30 pm

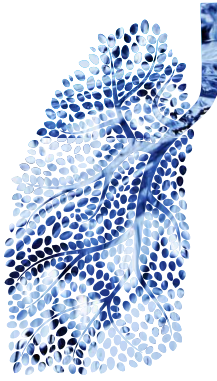

CME PROGRAMME ON PULMONARY MEDICINE

08:00 am - 09:00 am Registration and Tea

TIME	TOPIC	SPEAKER	CHAIRPERSON
09:00 am - 10:00 am	SESSION 1: PLEURA 1. Spontaneous pneumothorax - The current recommendations for management 2. Loculated pleural effusions - Fibrinolysis and adhesiolysis	Dr. Inderpaul S. Sehgal Dr. Arjun Srinivasan	Dr. T. L. N. Swamy Dr. Gangadhar Reddy Mallu
10:00 am - 11:00 am	SESSION 2: ASTHMA (beyond inhalers) 1. The era of biologics in asthma management 2. Bronchial thermoplasty for refractory asthma - Indian experience	Dr. Deepak Talwar Dr. V. Nagarjuna Maturu	Dr. Ashfaq Hasan Dr. Pradyut Waghray Dr. Manmadha Rao
11:00 am - 11:30 am	Inaugural Programme and Press Meet Key note address by Dr. G. S. Rao, MD, Yashoda Group of Hospitals		
11:30 am - 11:45 am	Tea		
11:45 am - 12:45 pm	SESSION 3: TUBERCULOSIS 1. Newer molecular diagnostics for tuberculosis 2. Treating drug resistant tuberculosis - Newer approaches and how we can do better?	Dr. Amita Nene Dr. K. Subhakar	Dr. C. E. Prasad Dr. Satish Chandra Dr. Bhooma Reddy
12:45 pm - 01:45 pm	SESSION 4: INTERSTITIAL LUNG DISEASES 1. Idiopathic Interstitial pneumonias What is new? 2. Cryo lung biopsy for ILD - Indian guidelines and the Indian experience	Dr. K. T. Prasad Dr. Ritesh Agarwal	Dr. Vishnun Rao V. Dr. Chandana Reddy K. Dr. M. S. Mateenuddin
01:45 pm - 02:00 pm	Post Graduate Quiz		
02:00 pm - 03:00 pm	Lunch		
03:00 pm - 04:00 pm	SESSION 5: INTERVENTIONAL PULMONOLOGY 1. Lung point - Bronchoscopic Navigation 2. Airway foreign bodies - Newer approaches to removal	Dr. Karan Madan Dr. T. Balaraju	Dr. B. Vijay Bhaskar Dr. V. V. Ramana Prasad Dr. K. Sailaja
04:00 pm - 05:00 pm	SESSION 6: BEST OF 2017-2018 1. Top 5 practice changing publications in pulmonology - Asthma and COPD 2. Top 5 practice changing publications in pulmonology - Respiratory Infections	Dr. R. Vijai Kumar Dr. Vishwanath Gella	Dr. B. V. G. Swamy Dr. K. Venu Dr. M. Narender
05:00 pm - 05:30 pm	Closing ceremony and certificate distribution		
07:00 pm - 10:00 pm	Banquet Dinner		

Telangana State Medical Council has awarded 2 CME credit hours for the workshop and 2 CME credit hours for the conference
